For Nursery to Class XII

Dear Parent,
Greetings!

You will be glad to know that Delhi Public School Guwahati is a part of the 'Swachh Bharat Mission' initiated by the Government of India. Our students have already been enthusiastically participating in the 'no plastic drive'. This drive is helping the students to reflect upon their plastic consumption, discover solutions to reduce this consumption and lead the change at their home, institutions, and communities. In continuation with our efforts, students are required to bring **Clean and Dry Plastic** to school which will be collected and recycled to make things of utility. The following days have been earmarked for the class-wise collection of clean and dry plastic which will further be collected by the GMC for recycling. The same comes into effect from 05.04.2024.
